

School Uniform: Year 7 to Year 11

School uniform keeps students focused on their education, not their clothes. It also creates a level playing field among students, reducing peer pressure and bullying. Wearing school uniform enhances school pride, unity, and community spirit. Parents are expected to send their children into school correctly dressed. Please inform us by telephone or in writing if, for any reason, the appropriate school uniform cannot be worn.

Jewellery and make-up

- Jewellery is restricted to one pair of plain stud earrings for pierced ears and a wristwatch (not an internet enabled smart watch – see paragraph 4.5).
- No other jewellery, fashion belts, charity bands, tattoos, facial or any other visible piercings are allowed. Clear nose studs or other piercings are not allowed.
- Conspicuous make-up or a fake tan is not allowed at school.
- Acrylic nails, false eyelashes and brightly coloured nail polish are not allowed.

Outer garment

- This should be weatherproof and in a sensible style (a waterproof/anorak in a plain colour is recommended).
- Additional items of clothing are not allowed.

Hair

- For safety reasons hair must be tied back during certain activities e.g. PE, work in laboratories/workshops.
- Hair styles must not follow extremes of fashion (i.e. not grade 1 or 2), including colours or extensions.
- Boys must be clean-shaven for school. In the sixth form facial hair should be very closely shaven but we will advise on this if necessary.

Canteen payment card and lanyard

- This is school uniform and students must have the appropriate coloured lanyard and a canteen payment card with them every day.

School bag

- This is required to bring in books and equipment. Carrying books and equipment in a school blazer is not acceptable.

Smart Watches

- Our school operates a mobile-free environment by default. All smartphones and internet-enabled smartwatches are prohibited. This applies to all Year 7-11 students while on the school premises.
- The school recognises that certain exceptions must be made for medical needs. Students who use a continuous glucose monitor (CGM) or other critical health-tracking apps linked to a mobile device or smartwatch will have an agreed Individual Healthcare Plan (IHCP). In these cases, the device must only be used for its designated medical monitoring purpose.
