'All children said that being comfortable in the house was one of the things that they particularly liked about boarding'

Ofsted 2024 quote

Testimonials
Boarding

Keswick School is situated in the heart of the Lake District National Park, also a UNESCO World Heritage site in the North of England.

Our wide range of weekend activities include many outdoor activities, such as laser tag, sailing, kayaking and exploring the Rainforest National Nature Reserve on our doorstep.

Lairthwaite Boarding House boasts a 'home away from home' atmosphere. We are a small community and our boarders come from all corners of the world,

which gives the house a rich, diverse, cosmopolitan feel. An excellent, experienced team of house staff look after our boarders' every need, helped by our house dog, Freyja, who is very entertaining.

In school, we value academic achievement, encourage excellence, but also appreciate that other qualities lead to success in later life and support is available when needed. Pupils broaden their horizons through a wide range of extra-curricular activities that run every lunchtime and after school.
