Declaration

I/we accept that boarders must hold a British passport or have the 'right to remain in the UK' and that boarding entry is for a boarding place only, it is not possible to transfer to a day place subsequently without a successful independent appeal.

I/We understand an acceptance deposit to the value of £2000, will be payable if a place is offered which will be kept in the school account until the end of the boarding term (after at least 2 years) and the final invoice will be adjusted to reflect this. The deposit is not connected to the payment of fees.

I/we undertake to pay the fees (and any extra expenses) for each term in advance. I/we shall provide written notice to the Headmaster of any intention to withdraw my/our child from boarding at any stage, not later than the first day of term at the end of which he/she is to cease to board.

When a term's notice is not given, payment of the fees for the next term is required by the Governors.

I/we understand that boarders are permitted to vacate their place prior to the end of term should they wish to do so after completion of exams or during study leave, but no refund of fees will be offered for such periods of absence as the boarding place is made available to each boarder for the whole term.

I/we accept the above terms and conditions and wish to apply for a place in boarding for our son/daughter.
