

Step in2 Apprenticeships

Our Step In 2 Apprenticeships Programme offers you the first steps towards a new career, in engineering, business or as a teaching assistant.

What will you learn?

- You'll gain a level 2 nationally recognised qualification in your chosen area.
- You'll have the opportunity to gain GCSE or Functional Skills English and Maths qualifications (if you don't already have these)
- We'll also support you with your employability skills to make sure you're ready to move on to an apprenticeship or work at the end of your programme.

Entry Requirements

These fully-funded programmes are open to anyone aged 16-18.

If you are over 18, please get in touch to check your eligibility.

How Will I Study?

You'll typically spend three days a week in one of our Skills Centres, plus one day a week on work placement.

Duration

Usually from September to July, term-time only. Please get in touch for details of the next start dates.

Next Steps

Following on from your Step In2 programme you could move on to an apprenticeship, onto further study or into employment
