

Careers@Keswick: Thursday April 29th 2021

And so another week unfolds and once again I am writing the blurb for the careers bulletin. It seems to have come around fast.

Things seemed to have slowed up a little careers-wise, as they usually do at this time of the year, but there is still so much on offer, mostly in the form of virtual events.

Enjoy a (hopefully) sunny bank holiday weekend.

Don't forget to head over to the school website for further information:

<https://www.keswick.cumbria.sch.uk/curriculum/careers-and-work-experience>

All the past Careers Bulletins are there, as well as a special Parents section. If you feel it is missing anything, pop me an email and I will get onto it.

I can be contacted on melanieavery@keswick.cumbria.sch.uk if you have any further questions.

HSBC Virtual Insight Evening (Years 11 – 13)

Interested in a career in Banking & Finance? How does the idea of working for Europe's largest bank sound?

On **May 5th from 5pm - 6pm**, Young Professionals will be hosting an online webinar event with HSBC as they will be letting us know all about their UK-wide Summer Work Experience and Apprenticeship opportunities.

With more than 200,000 employees and offices worldwide, HSBC is one of the world's leading international banks.

HSBC offer roles across all of their major business areas, including retail, private, commercial and investment banking, as well as jobs in operational and support functions such as audit, compliance, risk management, legal, finance, human resources and technology.

Registration Link: <https://www.research.net/r/HSBC-UK>

Careers in Property Webinars (Years 10- 13 and Parents)

Over the coming two weeks Pathways to Property will be hosting two webinars that are free to attend and are suitable for any student, parent or teacher looking to find out more about careers in property. With our first webinar providing an overall introduction to property as a career route, the second webinar will provide a specific case study with a property firm joining us for the session.

Webinar 1: Careers in Property – An Introduction

Taking place on **Thursday 29th April** from 17:00 – 17:45, this webinar is a great starting point to find out more about what a career in property looks like, routes into the industry and a chance to hear more about how the Pathways to Property programme can support you on your journey into the industry through an online course, Summer School, work experience, mentoring and financial support.

There will also be an opportunity to join an interactive Q&A session to ask property-related questions that may help guide future career choices.

To sign up for this event follow this link: <https://live.henley.ac.uk/events/54968>

Webinar 2: An Industry talk with SEGRO

Taking place on **Thursday 6th May** from 17:00 – 17:45, this webinar will be hosted by property firm SEGRO, one of the leading owner-manager and developer of industrial properties. This is great chance to learn more about the property industry by hearing first hand from the people who work in SEGRO about the career paths you can explore.

SEGRO will also be presenting on a key topic in the industrial sector – data centres – and why they are so important to everyday life. There is so much more to property than the buying and selling of houses, and SEGRO is a great example of how diverse an industry it is.

To sign up for this event follow this link: <https://live.henley.ac.uk/events/54970>

The Pathways to Property website is <https://www.henley.ac.uk/research/academic-areas/real-estate-and-planning/rref/pathways-to-property> .

Year 12 Annual Summer School for Year 12 students

Pathways to Property are still accepting applications for its annual Summer School, providing students in Year 12 a great chance to develop their understanding of careers in property whilst gaining experience of University life and developing some key skills great for any UCAS or job application.

Full details of the Summer School can be found here: <https://www.henley.ac.uk/research/academic-areas/real-estate-and-planning/rref/pathways-to-property/summer-school> .

IBM Virtual Work Experience (Years 10 – 13)

Calling All Students – Especially those looking for an Apprenticeship!

Interesting Careers with IBM - Virtual Work Experience

Friday 7th May 10am – 3pm

Students will get a chance to hear from the IBM Team and understand more about their competitive careers that are open for applications.

Sign up: <https://www.eventbrite.co.uk/e/150746927117>

Morgan Stanley Insight to Technology One Day Programme (Year 12 & 13 Girls)

The ***Step In, Step Up: An Insight to Technology programme*** is an introductory one-day programme designed for Year 12/13 female students. The day will give an oversight into the different Technology programmes Morgan Stanley offers, as well as giving participants the opportunity to partake in interactive challenges, panel sessions and career workshops.

Learn more about their Technology opportunities and how students can develop their skills in this area.

Programme dates: **30th July 2021** (Programme to be hosted virtually)

Deadline for applications: **6th June 2021**

Apply via this link: https://morganstanley.tal.net/vx/lang-en-GB/mobile-0/brand-2/candidate/so/pm/1/pl/2/opp/10825-2021-Step-In-Step-Up-An-Insight-Into-Technology-July-London/en-GB?goal=0_f09eb3b2c8-383130cf93-211985909&mc_cid=383130cf93&mc_eid=e3aabc033b

White Rose Physics Work Experience (Year 12)

Application Deadline: **Tuesday 4th May**

Work Experience Dates: **Monday 26 July to Friday 30 July 2021**

Year 12 students are invited to apply for a virtual work experience programme this July, in conjunction with the Universities of Leeds and Sheffield.

During the week students will have the opportunity to work with an academic staff member on their research area to review journal articles and produce a research poster. This will be shared in small groups in a conference activity at the end of the week. Students will be supported by sessions on research skills, with live forums to ask questions on a daily basis.

For further information and to apply please visit <https://www.york.ac.uk/physics/public-and-schools/secondary/work-experience/>

University of York Physics Summer School (Year 12)

The University of York's Access and Outreach team are hosting the second York Experience Summer School Online (YESS-O) this summer.

YESS-O gives Year 12 students an immersive opportunity to experience the academic and social side of university life. The York Experience Summer School Online will be taking place virtually **Monday 26 July to Friday 30 July 2021**. Find out more about what YESS-O has to offer.

We particularly encourage applications from:

Students participating in national widening participation programmes such as:

- Realising Opportunities
- Next Step York and YorWay to York
- The Social Mobility Foundation Programme
- The Elephant Group (TEG)

Even if your daughter/son does not meet these criteria it is still worth applying in case they have spaces.

Apply here: https://www.york.ac.uk/schools-and-colleges/post-16/summer-school/?utm_source=University%20of%20York&utm_medium=email&utm_campaign=12323278_26April21%20YESSO%20Applications%202021&dm_t=0,0,0,0

UK University & Apprenticeship Search Virtual Fair (Years 10 – 13)

The next UK University & Apprenticeship Search Virtual Fair will take place on **Wednesday 16th June** between 12 and 6pm (students can login anytime which suits).

The event will feature a multitude of university exhibitors and an updated range of vital webinars, including UCAS Personal Statement, Clearing, Choosing a Course, Degree Apprenticeships, Student Finance and Teacher/Parent support.

Register at: <https://ukunisearchnorth.vfairs.com/>

For a full list of placements - [sign in here to search and apply.](#)

Allied Healthcare Virtual Work Experience Day (Years 10 – 13)

The next Medic Mentor NHS Allied Healthcare Day is coming up on **June 6th**.

If students are interested in

- Nursing
- Midwifery
- Paramedicine
- Physiotherapy
- Occupational Therapy
- Dietetics
- Radiography
- Prosthetics and orthotics
- Speech and language therapy
- Osteopathy
- Pharmacy and now includes
- Podiatry too!

During the work experience day, students will follow 2 patients from their initial presentation to recovery. Students will observe the healthcare professionals as they interact with the patients and also each other.

Students will have an opportunity to ask questions and gain knowledge through teaching. This will help students to make an informed career decision as well as learn about how healthcare professionals work together as part of a multidisciplinary team.

Students can register for the programme here: <https://alliedhealthmentor.org/nhs-healthcare-careers-virtual-work-experience/>

Students will receive certificates as evidence of having participated in the work experience programme.

Places are £10 a day to cover administrative costs and run the tech on the day.
