SKILLS, LINKS AND PROGRESSION	<p>Sociology links well with English, religious studies, history, politics, geography, business, German and French. One of the purposes is to BROADEN your experience, and so it would also be appropriate to be taken in conjunction with science subjects as well.</p> <p>Choosing sociology at this stage need have few specific career implications. However, its analytical skills, including presenting ideas cogently, are crucial to most areas of work including journalism, law, social welfare and the humanities.</p>
