

Geography

Enrichment and Extra-curricular Opportunities

KS3

We aim to use our local environment throughout each key stage and take advantage of our 'outside classroom' whenever possible.

A few examples include:

- Microclimate studies in Year 7
- Ecology survey in Year 8
- Independent investigation in Year 9

GCSE

- St Bees Coastal Study
- Manchester urban geography study

A Level

- Newcastle and Keswick urban studies
- Northumberland and West Coast coastal studies
