Enrichment and Extra-curricular Opportunities

There are a number of extra-curricular activities open to students; to enrich their performance experience: There is a Key Stage 3 drama club and a Key Stage 3 dance club; both of which take place on a lunchtime. Students would need to bring a packed lunch with them to take part.

We have a proud history of musical productions, and will be continuing this from the autumn term. Students from all year groups will be welcome to participate regardless of experience. Rehearsals for this take place after school from 3.30 - 4.45pm on selected days.

Something unique to Keswick School is our iPerform week. This usually takes place in the summer term and is the blanket term to describe a range of activities from dance nights, comedy nights, workshops, and whole school performances.

We also have a strong tradition of theatre trips; used to support our curriculum and aimed at seeing exciting and challenging theatre not always found locally. Our Sixth Form trip to London is the best example of this.
