2019 Individual Subject Result Highlights *

English – **84%** (62% national) of students achieved a Grade 4 and above; **75%** achieved a Grade 5 and above and **34%** (14% national) achieved a Grade 7 and above.

Maths – **81%** (60% national) of students achieved a Grade 4 and above; **58%** achieved a Grade 5 and above and **26%** (16% national) achieved a Grade 7 and above.

Languages – **94%** (French) and **93%** (German) of students achieved a grade 4 and above. **85%** (French) and **83%** (German) achieved a Grade 5 and above. This is much higher than national results for Grade 4, French 70% and German 76%.

Science – **77%** of students sat three separate sciences (biology, chemistry and physics) compared to 21% nationally.

As we have more students taking three separate sciences this does not allow for a like to like comparison to national figures. More mid to low ability students nationally follow the double science award.

Biology – **92%** (89% national) of students achieved a Grade 4 and above; **75%** achieved a Grade 5 and above and **34%** (42% national) achieved a Grade 7 and above.

Chemistry – **94%** (90% national) of students achieved a Grade 4 and above; **68%** achieved a Grade 5 and above and **30%** (44% national) achieved a Grade 7 and above.

Physics – **93%** (91% national) of students achieved a Grade 4 and above; **77%** achieved a Grade 5 and above and **40%** (44% national) achieved a Grade 7 and above.

Double Science – **42%** (56% national) of students achieved a Grade 4 and above; **12%** achieved a Grade 5 and above and **0%** (8% national) achieved a Grade 7 and above.

Geography – **69%** (66% national) of students achieved a Grade 4 and above; **54%** achieved a Grade 5 and above and **23%** (25% national) achieved a Grade 7 and above.

History – **80%** (64% national) of students achieved a Grade 4 and above; **73%** achieved a Grade 5 and above and **41%** (25% national) achieved a Grade 7 and above.
