

Exam Results 2022

Uneven impact of the pandemic on 2021/22 school, college and multi-academy trust performance data

Gov.uk recommend:

- **Not making direct comparisons** with data from previous years or between schools/colleges or MATs.
- **Discussing with the schools/colleges or MATs** factors that may have influenced these results and consider a range of information when forming a view on how well a school or college is doing, including pupil/student population information.
