Service 1: Clerical Re-check - This service will include the following checks: that all parts of the script have been marked; the totalling of marks; the recording of marks. The outcome of the clerical re-check will be reported along with a statement of the total marks awarded for each unit, or component, included in the enquiry. **Please note that the mark and/or grade may go up, down or stay the same.** The deadline for completion is within 10 calendar days of the awarding body receiving the request.

Application and payment must be made to the Exams Officer no later than

Service 2: Review of Marking - This is a post-result review of the original marking to ensure that the mark scheme has been applied correctly. A marking error can occur because of: an administrative error; a failure to apply the mark scheme where a task has only a 'right' or 'wrong' answer; an unreasonable exercise of academic judgement. This service will include: the clerical re-check detailed in Service 1; a review of the marking as described above. **Please note that the mark and/or grade may go up, down or stay the same.** The deadline for completion is within 20 calendar days of the awarding body receiving the request.
