

Dear Parents and Guardians

**LGfL Free School Meals Eligibility Checker:** <https://fsm.lgfl.net/app/school/13634>

The Free School Meal (FSM) Eligibility Checker is a quick and easy online tool for parents, carers, schools, and Local Authorities. In just a few minutes, it can confirm whether a child qualifies for free school meals.

To check eligibility, simply provide your details, your child's details, and select your child's school. This information is securely processed through the Department for Education, and results are returned instantly. Our school Data Manager can view results submitted to track changes in eligibility and ensure students receive FSM.

**Please note that while the checker can confirm eligibility, it does not automatically apply for free school meals or Pupil Premium.** If you are eligible and have not previously applied for FSM you can do so here:

\*If your child previously attended a school in another county, e.g. Westmorland, you will need to reapply to Cumberland Council.

There is more information about Pupil Premium and Free School Meals on our website: [Pupil Premium| Keswick](#)
